

10 minute chicks and bunnies

These cute cards are one of the simplest but most effective cards to make for loved ones this Easter.

Things you will need:

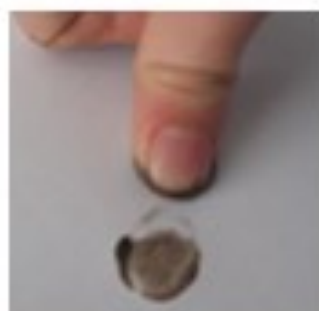

- Coloured paper or card
- Yellow and pink paint
- Felt pens
- Newspaper (or plastic mat)

1. Firstly, cover your table with newspaper (or plastic mat if you have one).
2. Next, choose your coloured paper/card to make prints on and place on the table ready for painting.

3. Put a small amount of paint into a saucer, old yoghurt pot lid, any small container you may have.

4. Using your thumb, carefully place in the paint and then press your thumb down onto your card.

5. Repeat the process as many times as you want, depending how many chicks or bunnies you may want.

6. When dry, use a black pen to draw features such as legs, eyes and wings. For the chicks, use an orange pen to draw the beak.
