

## 5 minute Easter chicks

### Things you will need:

- Coloured paper and/or card
- Coloured pens
- Coloured card
- Something round to draw around, kitchen tube, jar, cup (depending on how big you want the chicks)
- Scissors
- Glue stick

1. Firstly, choose the coloured paper for your chicks. Draw 2 smaller circles and 1 larger circle and cut out.

2. Using scissors, cut a line to the middle of the circle. This creates a quarter of a circle when folded over.

3. Stick your chicks onto coloured card.

4. Using a pen or pencil, draw eyes and legs and a beak.

5. Using different coloured paper or card, cut out egg shapes and decorate. Stick the eggs next to the chicks.

6. Save your card and give to someone special on Easter Sunday 😊
